All flu clinics will run from 1:00 PM to 7:00 PM. People can start booking appointments any time after Tuesday, October 3rd.

The Cut Knife Health Centre has been lucky to receive another Lab Day. They now have Labs on Monday, Tuesday, Wednesday from 8:00 AM to 12:00 PM then from 12:30 PM to 1:30 PM. Please call (306) 398-4977 to book an appointment. The Health Centre also welcomed Nurse Practitioner Manuela Checedi. She works Monday, Tuesday, Thursday and Friday. Please call (306) 398-2301 to book appointments.

We have applied for another Chase The Ace license and are hoping to begin the first draw later in October. Please keep a lookout for tickets once available at businesses or e-transfers. Payouts to the Recreation Board, Library and Museum from the last draw was \$9,513.33 each. Money received back from the Saskatchewan Liquor & Gaming was \$7,121.88 which was donated to the Country Lanes Bowling for their lane replacement project. The adult bowling leagues will also be starting soon. For afternoon or evening bowling please call the Country Lanes at (306) 398-8023.

Hockey season is around the corner which means that the Civic Centre will be opening soon and we will be looking for some volunteers to help work the booth for hockey games and tournaments. If interested please call Gwenn Kaye at (306) 398-7617. We are also hoping to get pickleball going again at the Community Centre, if anyone is interested please contact Gwenn for that as well.

The Saskatchewan Senior Fitness Association will be organizing their fourth annual Winter Walking Program at the Community Centre. The walks will be held on every Monday, Wednesday and Friday from 10:00 AM to 11:00 AM during Monday, November 2nd to Friday, March 29th. There is a small fee of \$10.⁰⁰. Please contact Sheila Hamel at (306) 398-8023 for more information about payments.

Keep an eye out for posters for different fundraisers that will be happening around town. Be sure to pick up a Community Calendar for \$14.⁰⁰ at the Cut Knife Library or Town Office to keep up-to-date with local birthdays and holidays. If anyone is looking for employment please check the job postings at the Cut Knife Health Complex or on the Town of Cut Knife website: www.townofcutknife.ca.

A friendly reminder that if anyone is wanting to be added to the Town's H2Safety Notification program please contact the Town Office at (306) 398-2363. You can receive either a phone call, text or email regarding any activities or notices in town.

Another reminder is that winter weather is coming soon and when clearing any snow, it is to remain on your property and not pushed on the street. I would like to also mention that the fall weather is extremely dry and to be careful with backyard firepits. Plus, the old elementary school remains private property and is not an off-leash dog park. Please respect that. Thanks.
