

#### 4<sup>th</sup> Quarter Newsletter - 2023

This is the final newsletter for 2023, hope everyone is doing well and enjoying this warm winter. We need the moisture and I'm sure we will get it. Just a reminder when the snow does come and snow removal begins, please keep the snow on your property.

There has been concerns voiced of people walking on the wrong side of the road and not wearing any reflective clothing in the dark. This presents a huge risk for injury so please wear something reflective and walk facing the traffic.

We have started Chase the Ace again, tickets are \$10.00 each and can be purchased at the RM Office, Town Office, Doogie's, Innovation, CK Ag Foods, CK Agencies, Lucerne Hotel and the Unity Downtown Medical Clinic until closing time on Wednesday. E-transfers can be purchased until midnight Wednesday, if using e-transfer please put your phone number. Draws take place live every Thursday at 7:30 PM at the Lucerne Hotel and can be viewed on Facebook. The Rec Board, Library, and the Museum are the groups that benefit from this fundraiser and then we donate to the Bowling Alley. Thank you to everyone for the support.

We have quite a few new residents in Cut Knife and if there is anyone wanting to participate in our H2Safety Notification Program please contact the Town Office at (306) 398-2363. We use this system to put out different information and alerts within the Town.

Loraas our garbage contractor has notified the Town Office that there will be a four percent increase in our pricing for 2024. Unfortunately, this will be reflected in our quarterly billing. Municipal law states municipalities cannot run in a deficit. The Town Council will be reviewing the garbage and water rates in the new year before our March billing.
