

3rd Quarter Newsletter – 2024

Hello Everyone, wishing you a great fall season and hoping the cold white stuff stays away for a while. This is always such a picturesque time of the year, enjoy all.

Unfortunately, the second Town well has gone down, so we are only operating on one well at the moment. The Town Council has been facing the decision of what to do next. It was agreed upon to dig a new well this year because if something happens to the first well we would have no water backups in place and would be forced to haul water. This has resulted in conversations on how to finance this project. Once the well is been installed, a temporary water restriction may be in place to complete the rest of the project. However, at this point we don't have a set date or further information. Expect updates to be posted on the Town of Cut Knife website, Facebook page and H2Notify.

Please make sure to sign up to our H2Notify system at the Town Office for updates regarding the Town. Also, be sure to update any phone numbers, emails or mailing addresses at the Town Office.

Our maintenance staff have done a great job on tree trimming to help with site lines near intersections. SaskPower has also been busy this past summer trimming trees along all power lines to help prevent any loss of power or damage.

The next Municipal Election will be held on November 13, 2024. If you are interested in information about running for Council or general information about it please stop by at the Town Office, visit the webpage at www.townofcutknife.ca/municipal-elections or review the information on the back of this newsletter. Nomination Day is on October 9th, 2024 and papers can be picked up at the Town Office during regular business hours.

There will be an in-town bus pick up to the Cut Knife Community School for the whole school year. This is only applicable for students who live on the westside of Broad Street. The Living Skies School Division sets all of the rules for this, so please direct any questions to the Cut Knife Community School at 306-398-2333 and they will be happy to help you.

We have a new art display in The Spare Room Gallery at the Library. Please check out all of the excellent work showcased there during Wednesdays 1:30 PM - 6:00 PM and Fridays 11:00 AM - 4:00 PM.

Boxes will soon be put out for donations to the Christmas Cheer Baskets. Please help donate what you can.

We would like to start a list of names of people who would be interested in working in the booth at the Civic Centre for games or tournaments for this upcoming hockey season.

I am also wondering if there is any interest in indoor corn hole, pickleball and maybe darts this fall / winter. If so please call me at 306-398-7617 or if you have any other questions feel free to ask.

Take care everyone.

Mayor Gwenn Kaye
Town of Cut Knife
