

## 4<sup>th</sup> Quarter Newsletter – 2024

Hello Everyone,

We hope everyone had a safe and memorable holiday season. The Town of Cut Knife requests your cooperation during this continued winter season. In the event of an accumulative snowfall, the following snow clearing procedures are observed:

**First cleared:** Broad Street, Dion Avenue, Railway Avenue, West Grid Road.

**Second cleared:** School bus route on Arthur Street.

**Third cleared:** Business areas Hill Avenue, Steele Street.

**Fourth cleared:** Residential areas, starting on one side of town on the first snowfall and the other side on the second snowfall, and alternating thusly, with each snowfall.

**Fifth cleared:** Alleys used for driveways at the back of homes will be cleared next, and all others after that.

Please, DO NOT push snow out of your yard/driveway onto the street. Please remove your garbage/recycle roll-out bins from the street after pickup. Please do not leave vehicles parked on the street if you have off-street parking available. Vehicles left parked on the street, and consequently snowed in by the plough, will not be dug out by the Town. Roadways and alleys are cleared of snow for safety reasons.

Ploughing ensures that streets can be travelled safely, and vehicles can pass each other with ease. Snow removal also ensures that adequate and controlled drainage occurs when the weather warms. Also, please note that it is the property owner's responsibility to clear the ridge of snow left by the plough at the end of your driveway. When time permits, the Town will often try to take care of this for you, but they are not required to do so.

Also, please note that all property owners on Broad Street, between Railway Avenue and Battle Avenue, are required to remove snow from the sidewalk in front of their property. If you have any questions or concerns regarding this matter please contact the Town Office at (306) 398-2363.

The Town Office is now offering e-Notices for Utilities and Receipting. This means that any utility bills that are issued or any payments that are received will be directly emailed to you. If you want to sign-up for this system please send us email to [payments.cutknife@sasktel.net](mailto:payments.cutknife@sasktel.net) with the specifics of what you want set up (utility bills, receipts). Please note: It is your responsibility to make sure that all your bills with the Town of Cut Knife are paid. You may call us or send us an email to ask about your account balance or set up payment arrangements.

Beginning in 2025 Loraas Environmental will be increasing their Garbage and Recycle rates by 16% causing the minimum amount for the utility billing cycle to increase.

The Community Centre hosts Pickleball sessions on Sundays from 1:00 PM – 3:00 PM as well as Thursdays 7:00 – 9:00 PM. It is \$5 per session or \$40 for a seasonal pass (cash only).

Wishing you all of the best in 2025,

-Town of Cut Knife
